Mr. Howard Eaton, Ass't Program Director  
Radio Station WYBC  
Box 242-A  
Yale Station  
New Haven, Conn.

Dear Howie:

You may be interested in knowing that we are sending a special Christmas Carol service to the New England FM Network this Tuesday at 8:15. This is an annual service and we have broadcast it for several years now. I believe that you have an arrangement with the network, much as we do, in which case you can get the program from its outlet nearest you.

Since I am a bit new in my job and have heard little beside your letter of the 16th on the subject, I'd appreciate your giving me the full story on the Monsanto deal.

Sorry, incidentally, that you were not informed of the Messiah. We sent that, too, and it went very nicely. But we'll keep you informed in the future.

Sincerely,

*Rog Milkman*
